

# JOIN IN THE HOLY MIS CHIEF

## Need a quarterly magazine that feeds your activist soul?

Geez magazine is more than an award-winning, quarterly, non-profit, ad-free, print magazine on social justice, art, and activism. It's your physical connection to a radical community of liberation-minded people at the fringes of faith.

*Join in the holy mischief? It is time to play, to imagine, to embrace foolishness, to expect the unexpected. It is time to make a ruckus! Troublemaking is sacred work in these troubling times.*
