

PRAC TICE RESUR RECTION

Need a quarterly magazine that feeds your activist soul?

Geez magazine is more than an award-winning, quarterly, non-profit, ad-free, print magazine on social justice, art, and activism. It's your physical connection to a radical community of liberation-minded people at the fringes of faith.

Practice Resurrection? The seed always pokes through the soil after the long harsh winter. Resurrection is all around us. Let our lives embody the possibility of life in the midst of death.
