

# Bring Geez Magazine to Your Library!

**WHAT IS GEEZ?** *Geez* magazine is an award-winning, quarterly, non-profit, ad-free, print magazine covering social justice, art, and activism. We locate ourselves at the “fringes of faith” and offer a fresh take for those who are seeking spiritual nourishment as they engage in work for social change. We offer select pieces from each issue online, but we are committed to remaining primarily print in a world that is rapidly digitizing.

**PAST THEMES** Each of our 64-page issues focuses on a different theme. Past themes have included:

*Mothering*

*Food Justice*

*Trees*

*Civil Disobedience*

*Hospitality*

*Jubilee*

*Resurrection*

*Death and Dying*

*Dismantling White  
Theology*

**OUR READERS** *Geez* is published out of Detroit, Michigan and our subscribers are primarily based in the U.S. and Canada. Many of our readers consider *Geez* to be more than just a magazine, but an international community that offers hope, nourishment, beauty, and power.
